2021 Focus: The Word of God! Rev. Bill Foust, Pastor

I have been praying and contemplating sermons for 2021. I have decided that I would like to finish out my preaching here at Center with some of the all-time favorites from the Bible. I was fortunate to find a book that will help us with these Biblical lessons: *The 52 Greatest Stories of the Bible* by Kenneth Boa. I also plan to use the Sunday Bible message as a basis for the weekly Wednesday Bible Study. These Biblical messages and lessons are intended to develop our faith by focusing on three areas: our beliefs, our values, and our actions. We will turn to the Bible to develop our beliefs, to understand our values, and to live them out in the world with our actions. Please join us for these exciting, inspirational, and foundational messages from the Word of God every Sunday and Wednesday. If you would like a copy or eBook of the study guide please contact the church office. Email: centerumc@yadtel.net or call 336-679-8247.

Wednesday Interactive Bible Study

This past week we finished our weekly Wednesday Bible study with the book of Revelation. As we move into a new year, we will begin a new and very different mode of weekly Bible Study. We will be offering an *interactive* Bible study, beginning this Wednesday. We ask anyone to ask questions or request more information on any Biblical topic. Questions and request may be made via email or phone. We will have a Bible scripture for each week as a base, but other Bible scripture may be referenced. For example, the message and lesson this week will be from Genesis. Questions and requests may be from Genesis or any other book in the Bible. If you have a burning question, please ask; we will do our best to answer. Please submit by noon on Wednesday by email: bfoust@wnccumc.net or by phoning the church office: 336-679-8247 (please do *not* text or Facebook message). Sources will remain anonymous to the public. The weekly Bible study will be broadcast on Facebook, YouTube and on our church website by 7pm each Wednesday. Please tune in!
